The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**ISSUANCE AND SALE OF  
LOS ANGELES UNIFIED SCHOOL DISTRICT  
GENERAL OBLIGATION BONDS ELECTION OF 2002 SERIES D (2008),  
ELECTION OF 2004 SERIES I (2008), AND ELECTION OF 2005 SERIES F (2008)  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

The governing board of the Los Angeles Unified School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$950,000,000. The bonds were authorized by the vote of qualified electors of the District and will be issued to finance capital improvements to various school facilities. Repayment of the bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Adopt the resolution authorizing the issuance and sale of three series of Los Angeles Unified School District (Los Angeles County, California) General Obligation Bonds Election of 2002 Series D, Election of 2004 Series I, and Election of 2005 Series F, in an aggregate principal amount not to exceed \$950 million.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On November 5, 2002, March 2, 2004, and November 8, 2005, voters residing in the District approved ballot measures authorizing the District to issue up to \$3.35 billion, \$3.87 billion, and \$3.985 billion, respectively, in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on October 14, 2008 and determined that the District needs to borrow funds in aggregate principal amounts not to exceed \$250,000,000, \$550,000,000, and \$150,000,000 from the 2002, 2004, and 2005 elections, respectively.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. The bonds are to be issued in the name and on behalf of the District by the County following receipt of the District's resolution requesting such borrowing.

The District, in consultation with their financial advisors, has elected to proceed with the bond sale in spite of the ongoing turmoil in the financial markets. Given the strong underlying credit of the District and the nominal level of risk associated with a general obligation bond financing, the District and its financial advisors are confident that the bonds will be well received by investors. Should the District encounter any unanticipated difficulty in selling its bonds, the resolution provides for the flexibility to postpone the sale until a later date.

### **Implementation of Strategic Plan Goals**

This action supports the County's Strategic Plan Goal #3: Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. It supports the Strategic Plan Goal #4: Fiscal Responsibility by providing investment in public school infrastructure within the County.

### **FISCAL IMPACT/FINANCING**

There will be no fiscal impact to the County budget.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the proposition. The term of the bonds will not exceed twenty-five (25) years.

The District has selected the firms of Kelling Northcross & Nobriga and Tamalpais Advisors Inc. as co-financial advisors, and Sidley Austin LLP as bond counsel. The

Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent. The Resolution provides the District with an option to choose either a competitive or a negotiated sale of the bonds.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

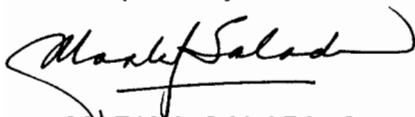

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Not applicable.

**CONCLUSION**

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

Respectfully submitted,

MARK J. SALADINO  
Treasurer and Tax Collector

#### **SECTION 5. Form of Bonds; Execution.**

(a) Book-Entry. The Depository Trust Company, New York, New York ("The Depository Trust Company"), is hereby appointed depository for the Bonds. The Bonds shall be issued in book-entry form only, and shall be initially registered in the name of "Cede & Co.," as nominee of The Depository Trust Company, and registered ownership of the Bonds may not thereafter be transferred except as provided in Section 10 hereof. One bond certificate shall be issued for each interest rate for each maturity of the Bonds.

(b) Form of Bonds. The Bonds shall be issued in fully registered form without coupons. The Bonds, and the paying agent's certificate of authentication and registration and the form of assignment to appear on each of them, shall be in substantially the form attached hereto as Exhibit A, with necessary or appropriate variations, omissions and insertions as permitted or required by this County Board of Supervisors Resolution (this "Resolution").

(c) Execution of Bonds. The Bonds shall be signed by the manual or facsimile signatures of the Chair, Chairman or Mayor of this Board of Supervisors (the "Chair of this Board of Supervisors") and of the Treasurer and Tax Collector of the County or any authorized deputy thereof (the "Treasurer"), and countersigned by the manual or facsimile signature of the Executive Officer-Clerk of this Board of Supervisors or any authorized deputy. (d) Valid Authentication. Only such of the Bonds as shall bear thereon a certificate of authentication and registration as described in subsection (b), executed by the Paying Agent, shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of the Paying Agent shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

(e) Identifying Number. The Paying Agent shall assign each Bond authenticated and registered by it a distinctive letter, or number, or letter and number, and shall maintain a record thereof at its principal corporate trust office, which record shall be available to the District and the County for inspection.

#### **SECTION 6. Terms of Bonds.**

(a) Date of Bonds. Each Bond shall be dated the date of delivery, or such other date as shall be set forth in the Notice Inviting Proposals or the Bond Purchase Agreement, as applicable.

(b) Denominations. The Bonds shall be issued in denominations of \$5,000 principal amount or any integral multiple thereof.

(c) Maturity. The Bonds shall mature on the date, in each of the years, in the principal amounts and in the aggregate principal amount as shall be set forth in the Notice Inviting Proposals or the Bond Purchase Agreement, as applicable. No Bond shall mature later than the date which is 25 years from the date of such Bond, to be determined as provided in subsection (a) of this Section.

(d) Interest. As used in this Resolution and in the Bonds, the terms “interest payment date” and “interest date” shall be interchangeable, and shall mean January 1 and July 1 of each year until the final maturity of the Bonds, or such other dates specified in the Notice Inviting Proposals or the Bond Purchase Agreement, as applicable.

The Bonds shall bear interest at an interest rate not to exceed 8% per annum payable on January 1 and July 1 in each year until the maturity of the Bonds or on such other interest payment dates, and shall commence payment, all as shall be set forth in the Notice Inviting Proposals or the Bond Purchase Agreement, as applicable, computed on the basis of a 360-day year of twelve (12) 30-day months. Each Bond shall bear interest from the interest payment date next preceding the date of authentication thereof, unless it is authenticated as of a day during the period after the Record Date (as defined in Section 7(b) herein) immediately preceding any interest payment date to and including such interest payment date, in which event it shall bear interest from such interest payment date, or unless it is authenticated on or before the Record Date preceding the first interest payment date, in which event it shall bear interest from its date; provided, that if, at the time of authentication of any Bond, interest is in default on any outstanding Bonds, such Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the outstanding Bonds.

## **SECTION 7. Payment.**

(a) Principal. The principal of the Bonds shall be payable in lawful money of the United States of America to the person whose name appears on the bond registration books of the Paying Agent (as described in Section 9(d) hereof) as the registered owner thereof (the "Owner"), upon the surrender thereof at the principal corporate trust office of the Paying Agent.

(b) Interest; Record Date. The interest on the Bonds shall be payable in lawful money of the United States of America to the Owner thereof as of the close of business on the 15th day of the month preceding an interest payment date (the "Record Date"), whether or not such day is a business day, such interest to be paid by check mailed on such interest payment date (if a business day, or on the next business day if the interest payment date does not fall on a business day) to such Owner at such Owner's address as it appears on the bond registration books described in Section 9(d) or at such address as the Owner may have filed with the Paying Agent for that purpose except that the payment shall be made in immediately available funds (e.g., by wire transfer) to any Owner of at least one million dollars (\$1,000,000) of outstanding Bonds who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any interest payment date. So long as Cede & Co. or its registered assigns shall be the Owner of the Bonds, payment shall be made in immediately available funds as provided in Section 10(d) hereof.

(c) Payment Fund. Principal and interest due on the Bonds shall be paid from the respective interest and sinking fund of the District for the related series of Bonds as provided in Section 15146 of the Education Code (the "Debt Service Fund"). No part of any fund of the County is pledged or obligated to the payment of the Bonds.

## **SECTION 8. Redemption Provisions.**

(a) Optional Redemption. The Bonds of each series shall be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Notice Inviting Proposals or the Bond Purchase Agreement, as applicable. The Notice Inviting Proposals or the Bond Purchase Agreement, as applicable, may provide that a portion of the Bonds shall not be subject to optional redemption.

If the Bonds of a series shall be subject to optional redemption and less than all of the Bonds of such series are called for such redemption, such Bonds shall be redeemed in inverse order of maturities of such series or as otherwise directed by the District, and if less than all of the Bonds of any given maturity of a series are called for redemption, the portions of such bonds of a given maturity to be redeemed shall be determined by lot.

(b) Mandatory Sinking Fund Redemption. The Bonds, if any, which are designated in the Notice Inviting Proposals or the Bond Purchase Agreement, as applicable, as Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Notice Inviting Proposals or the Bond Purchase Agreement, as applicable. The principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Bonds of that maturity optionally

redeemed prior to the mandatory sinking fund payment date. The Notice Inviting Proposals or the Bond Purchase Agreement, as applicable, may provide that Bonds sold thereunder shall not be subject to mandatory sinking fund redemption.

(c) Notice of Redemption. Notice of redemption of any Bonds shall be given by the Paying Agent upon the written request of the District given at least 60 days prior to the date designated for such redemption. Notice of any redemption of Bonds shall be mailed postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date (i) by first class mail to the respective Owners thereof at the addresses appearing on the bond registration books described in Section 9(d), (ii) by secured mail to all organizations registered with the Securities and Exchange Commission as securities depositories, (iii) to at least two information services of national recognition which disseminate redemption information with respect to municipal securities, and (iv) as may be further required in accordance with the Continuing Disclosure Certificate of the District described in Section 16.

Each notice of redemption shall contain all of the following information:

- (i) the date of such notice;
- (ii) the name of the Bonds and the date of issue of the Bonds;
- (iii) the redemption date;
- (iv) the redemption price;
- (v) the maturity dates of the Bonds to be redeemed;
- (vi) (if less than all of the Bonds of any maturity of a series are to be redeemed) the distinctive numbers of the Bonds of each maturity of such series to be redeemed;
- (vii) (in the case of Bonds redeemed in part only) the respective portions of the principal amount of the Bonds of each maturity to be redeemed;
- (viii) the CUSIP number, if any, of each maturity of Bonds to be redeemed;
- (ix) a statement that such Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; and
- (x) notice that further interest on such Bonds will not accrue after the designated redemption date.

(d) Effect of Notice. A certificate of the Paying Agent or the District that notice of call and redemption has been given to Owners and to the appropriate securities depositories and information services as herein provided shall be conclusive as against all parties. The actual receipt by the Owner of any Bond or by any securities depository or information service of notice of redemption shall not be a condition precedent to redemption, and failure to receive such

notice, or any defect in the notice given, shall not affect the validity of the proceedings for the redemption of such Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Bonds called for redemption is set aside for the purpose as described in subsection (e) of this Section, the Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Bonds at the place specified in the notice of redemption, such Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Bonds so called for redemption after such redemption date shall look for the payment of such Bonds and the redemption premium thereon, if any, only to the Debt Service Fund or the escrow fund established for such purpose. All Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(e) Redemption Fund. Prior to or on the redemption date of any Bonds there shall be available in the Debt Service Fund, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the premiums payable as in this resolution provided, the Bonds designated in any notice of redemption. Such monies so set aside in any such escrow fund shall be applied on or after the redemption date solely for payment of principal of and premium, if any, on the Bonds to be redeemed upon presentation and surrender of such Bonds, provided that all monies in the Debt Service Fund shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the Debt Service Fund, unless otherwise provided for to be paid from such escrow. If, after all of the Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the Debt Service Fund or otherwise held in trust for the payment of redemption price of the Bonds, those monies shall be held in or returned or transferred to the Debt Service Fund for payment of any outstanding bonds of the District payable from that fund; provided, however, that if those monies are part of the proceeds of bonds of the District, the monies shall be transferred to the Debt Service Fund. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(f) Defeasance of Bonds. If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all outstanding Bonds all of the principal, interest and premium, if any, represented by such Bonds at the times and in the manner provided herein and in the Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then such Owners shall cease to be entitled to the obligation of the District as provided in Section 12 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, interest and premium, if any, represented by the Bonds, but only out of monies on deposit in the Debt Service Fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (g) hereof shall apply in all events.

All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(i) by irrevocably depositing with the Paying Agent an amount of cash that, together with amounts then on deposit in the Debt Service Fund, is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest and redemption premium, if any; or

(ii) by irrevocably depositing with the Paying Agent, noncallable United States Obligations (as defined below) together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and monies then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal thereof and interest and prepayment premiums, if any, thereon) at or before their maturity date.

For purposes of this Section, United States Obligations shall mean:

(iii) Direct and general obligations of the United States of America (including state and local government series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances wherein (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's or "Aaa" by Moody's Investors Service; and

(iv) Non-callable obligations of government sponsored agencies that are rated "AAA," by Standard & Poor's or "Aaa" by Moody's Investors Service but are not backed by the full faith and credit of the U.S. Government. These include the following: (a) Farm Credit System (Formerly Federal Land Banks, Intermediate Credit Banks, and Banks for Cooperatives) Consolidated Systemwide bonds and notes; (b) Federal Home Loan Banks Consolidated debt obligations; and (c) Resolution Funding Corp. Debt Obligations.

In the event that Bonds are being defeased pursuant to paragraph (ii) of subsection (f) of this Section, the appointment of the independent certified public accountant referred to therein and any escrow agent selected in connection with said defeasance shall both be subject to County approval.

(g) Unclaimed Monies. Any money held in any fund created pursuant to this Resolution, or by the Paying Agent in trust, for the payment of the principal of, redemption premium, if any, or interest on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the Debt Service Fund for payment of any outstanding bonds of the District payable from that fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

#### **SECTION 9. Paying Agent and Disbursement Agent.**

(a) Defined. As used in this Resolution and in the Bonds, "Paying Agent" shall mean the Treasurer or any bank, trust company, national banking association or other financial institution appointed as authenticating agent, bond registrar, transfer agent and paying agent for the Bonds in the manner provided in this Resolution.

(b) Appointment; Payment of Fees and Expenses. This Board of Supervisors hereby consents to and confirms the appointment of the Treasurer to act as Paying Agent for the Bonds under this Resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Bonds, or from the Debt Service Fund, insofar as permitted by law, including specifically by Section 15232 of the Education Code and insofar as money in the Debt Service Fund is sufficient therefor, such fees and expenses shall be paid by the District.

(c) Resignation, Removal and Replacement of Paying Agent. The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed as provided in the Paying Agent's service agreement with the District and the County; provided that any successor shall be appointed with the consent of the County. Without further action by the District, if at any time the Paying Agent shall resign or be removed and no successor appointed by the District, the Treasurer shall appoint a successor Paying Agent without further action by the District, which shall be a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets.

(d) Registration Books. The Paying Agent will keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the books, Bonds as provided in Section 11 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

(e) Disbursement Agent. For any period of time in which the Treasurer is not acting in the capacity of Paying Agent, the Treasurer shall serve as disbursement agent hereunder and shall transfer monies from the Debt Service Fund to the Paying Agent in order to make payments of principal and interest on the Bonds.

**SECTION 10.            Transfer Under Book-Entry System; Discontinuation of Book-Entry System.**

(a)     The Bonds shall be initially issued and registered as provided in Section 5. Registered ownership of such Bonds, or any portion thereof, may not thereafter be transferred except:

          (i)     To any successor of Cede & Co., as nominee of The Depository Trust Company, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this section (a “substitute depository”); provided, that any successor of Cede & Co., as nominee of The Depository Trust Company or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

          (ii)    To any substitute depository not objected to by the District or the County, upon (1) the resignation of The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for The Depository Trust Company (or its successor) because The Depository Trust Company or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

          (iii)   To any person as provided below, upon (1) the resignation of The Depository Trust Company or its successor (or substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to remove The Depository Trust Company or its successor (or any substitute depository or its successor) from its functions as depository.

(b)     In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this section, upon receipt of the outstanding Bonds by the Paying Agent, together with a written request of the District or County to the Paying Agent, a new Bond for each interest rate for each maturity shall be executed and delivered in the aggregate principal amount of the Bonds then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. In the case of any transfer pursuant to clause (iii) of subsection (a) of this section, upon receipt of the outstanding Bonds by the Paying Agent together with a written request of the District or County to the Paying Agent, new Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District or County, subject to the limitations of Section 5 and the receipt of such a written request of the District or County, and thereafter, the Bonds shall be transferred pursuant to the provisions set forth in Section 11 of this Resolution; provided, that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days after the receipt of any such written request of the District or County.

The actions of the Financial Advisor, on behalf of the District, in distributing the Notice Inviting Proposals, to such municipal bond broker-dealers, to such banking institutions and to such other persons as may be interested in purchasing the Bonds therein offered for sale, are hereby approved. The Treasurer, or an authorized deputy or delegate of the Treasurer, is hereby authorized and directed on behalf of the District to cause the sale of the Bonds pursuant to the Notice Inviting Proposals, with such changes as the Treasurer in consultation with the Chief Financial Officer (or the Interim Chief Financial Officer, if applicable), the Deputy Chief Financial Officer (or the Interim Deputy Chief Financial Officer, if applicable), the Controller of the District (or the Interim Controller, if applicable), or any other officer of the District authorized by the Chief Financial Officer or the Controller of the District (each, an "Authorized Officer" of the District) shall deem necessary or desirable to implement the sale of the Bonds consistent with the terms of this resolution.

The Treasurer in consultation with an Authorized Officer of the District, is hereby authorized to accept the highest responsible bids for the Bonds producing the lowest true interest cost to the District; provided, that (i) the true interest cost for the Bonds of any series shall not be in excess of 8% per annum; (ii) the maximum interest rate (coupon) on the Bonds of any series

shall not be in excess of 8% per annum; and (iii) the Bonds shall otherwise conform to the limitations specified herein. The Authorized Officer of the District may, in his or her discretion, reject any and all bids and waive any irregularity or informality in any bid. The Treasurer, in consultation with the Chief Financial Officer of the District, shall award the Bonds or reject all bids not later than 26 hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the successful bidder(s).

In the event that a negotiated sale of the Bonds is determined to be in the best interest of the District, the Treasurer is hereby authorized and directed on behalf of the County to execute the Bond Purchase Agreement substantially in the form attached as Exhibit D is hereby approved, with such changes as the Treasurer shall deem necessary or desirable to implement the negotiated sale of the Bonds consistent with the terms of this Resolution; provided that (i) the true interest cost for the Bonds of any series shall not be in excess of 8% per annum; (ii) the maximum interest rate (coupon) on the Bonds of any series shall not be in excess of 8% per annum; (iii) the underwriter's discount shall not be in excess of 0.5% of the aggregate principal amount of the Bonds of any series and (iv) the Bonds shall otherwise conform to the limitations specified herein. **SECTION 15. Tax Covenant.** The County acknowledges and relies upon the fact that the District has represented and covenanted that it shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Bonds under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and that it will comply with the requirements of the initial Tax Certificate and each subsequent Tax Certificate of the District with respect to the Bonds, to be entered into by the District as of the respective dates of issuance of the Bonds, and further that such representation and covenant shall survive payment in full or defeasance of the Bonds.

The submission of a bid electronically via PARITY shall constitute and be deemed the bidder's signature on the Official Bid Form for such series of Bonds.

Procedures Regarding Electronic Bidding:

Bids may be submitted electronically via PARITY in accordance with this Notice Inviting Proposals, until 9:00 A.M., Pacific Time, [\_\_\_\_\_, 2008], but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice Inviting Proposals, the terms of this Notice Inviting Proposals shall control. For further information about PARITY, potential bidders may contact the Financial Advisor at (415) 331-4473 or PARITY at (212) 806-8304. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

- (a) If a bid submitted electronically by PARITY is accepted by the County and the District, the terms of the Bid for Purchase of a Series of Bonds and this Notice Inviting Proposals and the information that is electronically transmitted through PARITY shall form a contract and the successful bidder shall be bound by the terms of such contract.

(b) PARITY is not an agent of the County and the District, and the County and the District shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the County and the District or information provided by the bidder.

(c) The County and the District may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via PARITY's internet site ([www.tm3.com](http://www.tm3.com)) no later than 5:00 P.M. (Pacific Time) on the last business day prior to the date of sale.

(d) Once the bids for a given series of Bonds are communicated electronically via PARITY to the County and the District as described above, each such bid will constitute a Bid for Purchase of a Series of Bonds and shall be deemed to be an irrevocable offer to purchase the series of Bonds on the terms provided in this Notice Inviting Proposals.

(e) Each bidder choosing to bid electronically shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with this Notice Inviting Proposals. Neither the County nor the District shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the County nor the District shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY. The County is using PARITY as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the County and the District harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

No bid received after the deadline shall be considered. In any case, each bid must be in accordance with the terms and conditions set forth in this official Notice Inviting Proposals.

Interest Rates:

All bids for the purchase of each series of the Bonds must state the rate or rates of interest to be paid and no bid at a price less than the par value of each series of Bonds will be considered. Bidders may specify any number of different rates to be borne on each series of Bonds, provided:

(i) The maximum interest rate bid for any maturity shall not exceed eight percent (8%) per annum;

(ii) All Bonds of the same maturity for a given series must bear the same rate of interest from its date to the stated maturity date at the interest rate specified in the Official Bid Form;

(iii) All interest rates must be in multiples of 1/8 or 1/20 of one percent; and

(iv) The rate of interest on any maturity for a given series shall not be more than four percent higher than the interest rate on any other maturity of the given series of the Bonds.

Adjustment of Principal Amounts and Amortization Schedule of Bonds after Receipt of Bids:

The principal amounts of each series of the Bonds set forth in the Designated Maturity Schedule reflect estimates of the District as to the likely interest rates of the winning bid and the original issue premium contained in the winning bid for such series. In order to achieve substantially level debt service in each Fiscal Year ending June 30, the District reserves the right subsequent to receiving bids to change the principal amounts schedule for a given series set forth above by adjusting one or more principal payments. Any such adjustment of principal amounts on the given series of Bonds shall be based on the schedule of principal amounts provided by the District to be used as the basis of bids for the given series of Bonds. In the event of any such adjustment, no rebidding or recalculation of the bids submitted will be required or permitted and no successful bid may be withdrawn. The bidder awarded a series of Bonds by the District shall not be permitted to withdraw its bid, change the interest rates in its bid or the reoffering prices in its Certificate Regarding Reoffering Prices as a result of any changes made to the principal amounts of such series of the Bonds in accordance with this Notice Inviting Proposals.

Such adjustments will not change the aggregate principal amount of a series of the Bonds to be issued from the amount set forth in the Designated Maturity Schedule or change the principal amount due with respect to such series of Bonds in any year by more than ten percent. The dollar amount bid for Bonds by the winning bidder(s) will be adjusted to reflect any such adjustment in the applicable amortization schedule. Any such adjustment will change the total (but not the per bond) dollar amount of underwriter's discount and original issue premium provided in such bid. Any such adjustment shall not result in the purchase price of the such series of Bonds being less than [100.\_\_\_\_]%. Any such adjustment will be communicated to the winning bidder within 24 hours after the opening of the bids.

Costs to be Paid by Underwriter

If the transactions contemplated by this Notice Inviting Proposals are consummated, fees and expenses incurred by the District (the "Costs") shall be paid or cause to be paid by the successful bidder. The successful bidder agrees, by submitting a bid for the Measure K Bonds, to wire \$[\_\_\_\_\_] at closing to \_\_\_\_\_, as Costs Administrator for the Bonds (the "Costs Administrator") for payment of the Costs for the Measure K Bonds. Thus, the minimum bid for the purchase of the Measure K Bonds is [100.\_\_\_\_]%. The successful bidder agrees, by submitting a bid for the Measure R Bonds, to wire \$[\_\_\_\_\_] at closing to the Costs Administrator for payment of the Costs for the Measure R Bonds. Thus, the minimum bid for the purchase of the Measure R Bonds is [100.\_\_\_\_]%. The successful bidder agrees, by submitting a bid for the Measure Y Bonds, to wire \$[\_\_\_\_\_] at closing to the Costs Administrator for payment of the Costs for the Measure Y Bonds. Thus, the minimum bid for the purchase of the Measure Y Bonds is [100.\_\_\_\_]%. This amount must be paid not later than the date of delivery of the Bonds. Payment of this amount is not optional and is in addition to any purchase premium specified and any premium designated for municipal bond insurance. The Costs Administrator will deposit such funds in a special account established on behalf of the successful bidder and apply such

funds only to pay legally authorized costs of issuance pursuant to a written order of the District accompanied by approved invoices. Costs of issuance include fees and disbursements of the financial advisor, bond counsel, disclosure counsel, the costs of preparation, printing, posting, and delivery of the Official Statement, initial rating fees, costs of publication of notices of sale, and other expenses permitted by Section 15145 of the Education Code and does not include underwriter's discount, the cost of the premium for any municipal bond insurance, CDIAC fees (described below), CUSIP fees (described below), DTC fees or other customary underwriting expenses to be paid by the successful bidder under the terms of this Notice Inviting Proposals. Any balance remaining in such account [365] days after the issuance of a series of the Bonds shall be returned to the successful bidder.

[Qualification for Municipal Bond Insurance at Option of Bidder:

The District will submit documents to potential bond insurers to pre-qualify each series of the Bonds for a municipal bond insurance policy. If any series of the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs shall be paid by such bidder. Any failure of a series of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of his contractual obligations arising from the acceptance of his proposal to purchase such series of the Bonds.

The District will be responsible for obtaining underlying (i.e., uninsured) municipal bond ratings for each series of the Bonds from Moody's Investors Service and Standard & Poor's Ratings Group and for payment of any rating fees incurred in connection therewith, which payment shall be made in accordance with the procedure set forth in "Costs to be Paid by Underwriter" above.]

[Good Faith Deposit:

No good faith deposit is required to be submitted with bids.]

CUSIP Numbers:

CUSIP numbers will be applied for by the respective purchaser and will be printed on the applicable series of Bonds and the cost of service bureau assignment will be the purchaser's responsibility. Any delay, error or omission with respect thereto will not constitute cause for the purchaser to refuse to accept delivery of and pay for such series of Bonds.

California Debt and Investment Advisory Commission:

Each successful bidder will be required, pursuant to State law, to pay any fees to the California Debt and Investment Advisory Commission ("CDIAC"). CDIAC will separately invoice each successful bidder for such fees.

Right of Rejection:

The Treasurer in consultation with the CFO reserves the right in his discretion to reject any and all bids received and to waive any irregularity or informality in the bids, except that the time for

receiving bids shall be of the essence. [The winning bidder(s) shall have the right, at each of their option, to cancel the contract of purchase if the District shall fail to tender the Bonds for delivery within 60 days from the date of sale thereof.]

#### Minimum Bid

No bid will be accepted that does not offer a bid price of at least [100.\_\_\_\_]% for a series of the Bonds (whether or not said bid price is adjusted pursuant to "Adjustment of Principal Amounts and Amortization Schedule of Bonds after Receipt of Bids"). The bid price such series of the Bonds shall not include any amounts to be used to pay the customary underwriting costs or the excluded costs set forth under "Costs to be Paid by Underwriter."

#### Basis of Award and Delivery:

Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest true interest cost ("TIC") to the District, which TIC may not exceed 8%. The TIC will be that nominal interest rate which, when compounded semiannually and applied to discount all payments of principal and interest payable on a series of the Bonds to the date of such series of the Bonds, results in an amount equal to the principal amount of such Bonds plus the amount of any premium bid. For the purpose of calculating the TIC, mandatory sinking fund payments for any Term Bonds specified by each bidder will be treated as Bonds maturing on the dates of such mandatory sinking fund payments. In the event that two or more bidders offer bids for a series of the Bonds at the same lowest TIC, the bidder who submitted the first bid (as determined by PARITY) will be awarded such series of the Bonds. Bid evaluations or rankings made by PARITY are not binding on the District.

Delivery of each series of the Bonds will be made to the purchaser through DTC upon payment in immediately available funds to the Treasurer on or about \_\_\_\_\_, 2008 (the "Closing").

#### Prompt Award:

The Treasurer, or the designee of such officer, will take action awarding each series of the Bonds or rejecting all bids not later than 26 hours after the expiration of the time herein prescribed for the receipt of proposals, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

#### Legal Opinion:

Sidley Austin LLP has been retained by the District as Bond Counsel ("Bond Counsel") and in such capacity are to render an approving opinion upon the legality of the Bonds under California law and on the exemption of the interest income on such Bonds from federal and State of California income taxes. The Bonds are sold with the understanding that the respective purchaser will be furnished with an opinion of Bond Counsel entitling the purchaser to rely on the approving opinion of Sidley Austin LLP. The form of Bond Counsel's opinion is set forth in [Appendix B] of the Preliminary Official Statement and the final Official Statement.

The respective purchaser will receive a disclosure opinion from Hawkins Delafield & Wood LLP as Disclosure Counsel ("Disclosure Counsel") regarding the Official Statement.

### Tax Status:

In the opinion of Bond Counsel, under existing laws, interest on the Bonds is exempt from all present State of California personal income taxes, and assuming compliance with certain covenants made by the District, and requirements of the Internal Revenue Code of 1986, as amended, interest on the Bonds is not includable in the gross income of the owners of the Bonds for federal income tax purposes, provided that such interest may be included in the calculation of federal alternative minimum taxable income. Should changes in the law cause Bond Counsel's opinion to change prior to delivery of the Bonds to the purchaser, the purchaser will be relieved of its responsibility to purchase the Bonds.

### Certificate Regarding Reoffering Prices:

Not later than one hour after receiving the verbal award, the successful bidder for a series of Bonds must submit to the District and to Bond Counsel a certificate specifying for each maturity the reoffering price at which at least 10% of the Bonds of such maturity were first sold (or the price at which all of the Bonds awarded to the successful bidder were offered in a bona fide public offering and as of the date of award of such Bonds to the successful bidder reasonably expected to be sold) to the public. Such certificate shall be in form attached hereto as Exhibit A. Any requests for changes to such certificate must be submitted to Bond Counsel by the close of business on \_\_\_\_\_.

### No Litigation and Tax Certificates:

At Closing, the District will execute and deliver a certificate stating that no litigation is pending affecting the issuance and sale of the Bonds. The District will also execute and deliver the Tax Certificate covering its reasonable expectations concerning the Bonds and the use of proceeds thereof.

### Continuing Disclosure Certificate:

In order to assist bidders in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), the District will undertake, pursuant to a Continuing Disclosure Certificate, to provide certain annual financial information and notices of the occurrence of certain events, if material. A form of the Continuing Disclosure Certificate is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

### Official Statement:

The District will make available a Preliminary Official Statement relating to the Bonds, an electronic copy of which, along with related documents, will be furnished upon request made either by mail to the Financial Advisor, Tamalpais Advisors, Inc., 3030 Bridgeway, Suite 340, Sausalito, California 94965, or telephoned to said advisor at (415) 331-4473. Such Preliminary Official Statement, together with any supplements thereto, shall be in form "deemed final" by the District for purposes of Securities and Exchange Commission Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final official statement (the "Official Statement"). Bidders must read the entire Preliminary Official Statement to obtain information essential to the making of an informed decision to bid. The District agrees to provide a reasonable number of

copies of the Official Statement to the winning bidder(s) of each series of the Bonds at the District's expense within seven business days of the date of sale. The District shall deliver, at closing, a certificate, executed by appropriate officers of the District acting in their official capacities, to the effect that the facts contained in the Official Statement relating to the Bonds are true and correct in all material respects, and that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of circumstances under which they were made not misleading.

(c) On or before the date hereof, the Representative, on behalf of the Underwriters, delivered to Sidley Austin LLP, Bond Counsel, on behalf of the County, a check payable to the order of the County in the amount \$ \_\_\_\_\_ as a good-faith deposit for the performance by the Underwriters of their obligations to accept and pay for the Bonds at the Closing (as defined herein) in accordance with the provisions of this Purchase Agreement. Of said good-faith deposit, \$ \_\_\_\_\_ is allocated to the Measure K Series D Bonds; \$ \_\_\_\_\_ is allocated to the Measure R Series I Bonds; and \$ \_\_\_\_\_ is allocated to the Measure Y Series F Bonds. Such check shall not be cashed by the County pending the Closing except as provided below. At the Closing, the good-faith check will be returned to the Representative for cancellation. In the event the County and the District do not accept this offer, such check shall be returned to the Representative immediately. In the event of the District’s inability to deliver the Bonds at the Closing, or if the District or the County is unable to satisfy the conditions to the Underwriters’ obligations contained herein (unless such conditions are waived by the Underwriters), or if the Underwriters’ obligations shall be terminated for any reason permitted hereby, such check or the amount thereof, without interest, shall be returned to the Representative immediately and such return shall constitute a full release and discharge of all claims by the Underwriters against the County and the District arising out of the transactions contemplated by this Purchase Agreement. In the event that the Underwriters fail (other than for a reason permitted hereby) to accept and pay for the Bonds at the Closing as herein provided, the proceeds of such check in the above amount shall be retained and applied by the County and the District in full and complete liquidated damages (and not as a penalty) for such failure and as a discharge of all damages suffered on the part of the County and the District as a result of such failure.

(d) The Bonds shall be executed and delivered under and in accordance with the provisions of this Purchase Agreement and the Resolutions. The Bonds shall be in definitive form, shall bear CUSIP numbers and shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“**DTC**”).

3. **Use of Documents.** The District and the County (as appropriate) hereby authorize the Underwriters to use, in connection with the offer and sale of the Bonds, the Resolutions, this Purchase Agreement, a Preliminary Official Statement and an Official Statement (both as defined herein) and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriters in connection with the transactions contemplated by this Purchase Agreement.

4. **Public Offering of the Bonds.** The Underwriters agree to make a bona fide public offering of all the Bonds at the initial public offering prices or yields as set forth in Exhibit A hereto. Subsequent to such initial public offering, the Underwriters reserve the right to change such initial public offering prices or yields as they deem necessary in connection with the marketing of the Bonds.

5. **Review of Official Statement.** The Underwriters hereby represent that they have received and reviewed the official statement in preliminary form with respect to the Bonds, dated \_\_\_\_\_, 2008 (the "**Preliminary Official Statement**"). The District represents that it has deemed the Preliminary Official Statement to be final as of its date, except for either revisions to or additions of the initial public offering prices, interest rates, yields, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, ratings, credit enhancement and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended ("**Rule 15c2-12**").

The Underwriters agree that prior to the time the final official statement (the "**Official Statement**") relating to the Bonds is available, the Underwriters will make available to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) or electronic copy posted on an accessible website not later than the next business day following the date upon which each such request is received.

The Underwriters agree to file the Official Statement with a nationally recognized municipal securities information repository within the meaning of Rule 15c2-12.

### A. EXECUTIVE SUMMARY

**Action Proposed:** The Board is requested to (1) approve the attached resolution (Attachment A) and forms of legal documents regarding the issuance of up to \$950 million of general obligation bonds (the "2008 Bonds"); (2) review the information to be disclosed to it pursuant to AB 1482; (3) authorize the sale of the 2008 Bonds by competitive or negotiated sale; (4) direct the Chief Financial Officer and other Officers of the District to assemble the financing team and (5) authorize the Budget Services and Financial Planning Division to make the necessary budget adjustments to reflect the anticipated bond receipts.

**Staff Recommendation and Rationale:** Approval of (1) the Resolution and the forms of legal documents regarding the issuance of up to \$950 million of general obligation bonds, (2) the sale of the 2008 Bonds by competitive or negotiated sale; (3) the proposed financing team and (4) the authorization of the Budget Services and Financial Planning Division to make the necessary budget adjustments and the review of (5) information to be disclosed to it pursuant to AB 1482. Without these approvals and review, the Chief Financial Officer cannot execute the necessary actions to assure the ongoing funding of Bond Program projects. Timing is critical as Fiscal Year 2008-09 expenditure projections provided by Facilities indicate that new bond proceeds are needed to supplement funds on hand to complete critical projects.

**Background:** On November 5, 2002, voters approved a \$3.35 billion local Measure K bond authorization. On March 2, 2004, voters approved a \$3.87 billion local Measure R bond authorization. And on November 8, 2005, voters approved a \$3.985 billion local Measure Y bond authorization. The three authorizations provide funds to repair and modernize existing District schools, build new schools to relieve overcrowding, and fund additional capital projects. The District has issued \$2.75 billion of Measure K bonds,

## LOS ANGELES UNIFIED SCHOOL DISTRICT Board of Education Report

\$2.05 billion of Measure R bonds, and \$694.4 million of Measure Y bonds to date.

This Board Report and the attached Resolution (Attachment A) provide for approval of the forms of a Preliminary Official Statement, Notice of Intention to Sell, Notice Inviting Proposals, Bond Purchase Contract, and a Continuing Disclosure Certificate for the issuance in one or more series of up to \$250 million in general obligation bonds of the District under the Measure K authorization to be designated Election of 2002, Series D (2008), \$550 million under the Measure R authorization to be designated Election of 2004, Series I (2008), and \$150 million under the Measure Y authorization to be designated Election of 2005, Series F (2008) (collectively, the "2008 Bonds").

Effective January 1, 2007, AB 1482 applies to all new money general obligation bonds issued by school and community college districts in California. The intent of AB 1482 is to provide transparency in the bond issuance process, namely, by requiring a school district to publicly identify of the names of the Financial Advisor, Bond Counsel, Disclosure Counsel, and Underwriter(s) and the detailed, estimated costs of issuance for the bonds. See "Issues and Analysis" for a discussion of the District's compliance with these requirements in connection with the 2008 Bonds.

**Policy Implications:**

This action is in compliance with the relevant criteria set forth in Article 1 and Sections 3.02, 4.12, and 4.13 of the Debt Management Policy.

**Budget Impact:**

No Impact. The 2008-09 budget will need to be adjusted to reflect the anticipated proceeds from the issuance of the 2008 Bonds, but the debt service payments attributable to these issuances will be supported by tax levies imposed on the District's taxpayers and not the District's General Fund.

**Issues/Considerations:**

Timing is critical. The longer the District waits to take action, the more the risk that current funds on hand for the Bond Program will be expended, resulting in possible disruption of Bond Program projects that need funding.

**Effect of "yes" vote:**

Will allow the 2008 Bonds to be executed as quickly as possible and ensure ongoing funding of Bond Program projects.

**Effect of "no" vote:**

Will leave the District exposed to the risk that current funds on hand for the Bond Program will be expended, resulting in possible disruption of Bond Program projects that need funding.

#### B. BOARD REPORT

- Action Proposed:** The Board is requested to (1) approve the attached resolution (Attachment A) approving the forms of a Preliminary Official Statement, Notice of Intention to Sell, Notice Inviting Proposals, Bond Purchase Contract and a Continuing Disclosure Certificate for the issuance in one or more series of up to \$250 million in general obligation bonds of the District under the Measure K authorization to be designated Election of 2002, Series D (2008), \$550 million under the Measure R authorization to be designated Election of 2004, Series I (2008) and \$150 million under the Measure Y authorization to be designated Election of 2005, Series F (2008) (collectively, the "2008 Bonds"); (2) to review the information to be disclosed to it pursuant to AB 1482; (3) authorize the sale of the 2008 Bonds by competitive sale; (4) direct the Chief Financial Officer and other Officers of the District to assemble the financing team for the upcoming transaction to be comprised of Tamalpais Advisors, Inc. – Kelling, Northcross & Nobriga, A Joint Venture, as Financial Advisor; Sidley Austin LLP as Bond Counsel and Special Tax Counsel, Hawkins, Delafield & Wood LLP as Disclosure Counsel and U.S. Bank National Association, as Paying Agent and (5) authorize the Budget Services and Financial Planning Division to make the necessary budget adjustments to reflect the anticipated bond receipts.
- Expected Outcomes:** Will provide timely receipt of bond proceeds to ensure that funding of Bond Program projects is not disrupted.
- Board Options and Consequences:** The Board may approve the Resolution, the forms of legal documents and Preliminary Official Statement, the financing team, and the sale of the 2008 Bonds on a competitive basis so that the sale can be executed as timely as possible.
- The Board may prefer to wait for further information and details on the specific action to be taken. This option, however, may risk disruption of Bond program projects that need funding.
- Policy Implications:** This action is in compliance with the relevant criteria set forth in Article 1 and Sections 3.02, 4.12, and 4.13 of the Debt Management Policy.
- Budget Impact:** No Impact. The 2008-09 budget will need to be adjusted to reflect the anticipated proceeds from the issuance of the 2008 Bonds, but the debt service payments attributable to these issuances will be supported by tax levies imposed on the District's taxpayers and not the District's General Fund.

☐ **No legal issues**

☐ **Legal informative attached**

This Board Report and the attached Resolution (Attachment A) provide for approval of the forms of a Preliminary Official Statement, Notice of Intention to Sell, Notice Inviting Proposals, Bond Purchase Contract, and a Continuing Disclosure Certificate for the issuance in one or more series of up to \$250 million in general obligation bonds of the District under the Measure K authorization to be designated Election of 2002, Series D (2008), \$550 million under the Measure R authorization to be designated Election of 2004, Series I (2008), and \$150 million under the Measure Y authorization to be designated Election of 2005, Series F (2008) (collectively, the "2008 Bonds").

Effective January 1, 2007, AB 1482 applies to all new money general obligation bonds issued by school and community college districts in California. The intent of AB 1482 is to provide transparency in the bond issuance process, namely, by requiring a school district to publicly identify the names of the Financial Advisor, Bond Counsel, Disclosure Counsel, and Underwriter(s) and the detailed, estimated costs of issuance for the bonds. Finance hereby provides the names of the Financial Advisor, Bond Counsel, and Disclosure Counsel below, with Section 18 of the Resolution containing this information as well. The name(s) of the Underwriter(s) will be provided once they are known after the competitive sale of the 2008 Bonds is completed. In addition, the estimated costs of issuance of the 2008 Bonds are presented as Attachment B. A detailed summary of the actual final costs of issuance will be provided to the Board and the public once the 2008 Bonds have been sold.

AB 1482 also requires the governing body to declare the method of sale of the bonds and the reason(s) for the selected method of sale. Because the benefit of competition among potential underwriters to purchase the 2008 Bonds is likely to result in the lowest possible interest cost to the

District's taxpayers, a competitive sale format best addresses the District's objective to minimize taxpayer cost. In addition, a competitive sale format allows the District to access the widest possible range of underwriters and the most efficient couponing and bond structure, as overseen by the District's Financial Advisor.

The District has successfully used the competitive sale format for prior general obligation bond issues as well as TRANs issues. In addition, the District has successfully used the negotiated sale format on prior general obligation bond, COPs, and TRANs issues. Thus, the District has successfully used both sale formats from time to time. The new underwriter pool is presently being put in place, but is not available in time for the 2008 Bonds transaction. Thus, the Chief Financial Officer recommends a competitive sale this time, in order not to delay the sale of the 2008 Bonds and risk insufficient funds for the Bond Program. The Resolution provides that the Chief Financial Officer, upon consultation with the Financial Advisor, may elect to negotiate the sale of the 2008 Bonds should it be in the District's best interest. This could occur, for example, if market conditions are so volatile or adverse that the competitive sale of the 2008 Bonds cannot go forward at the planned time but could be negotiated later with underwriters selected by the Chief Financial Officer, once the underwriting bench is in place.

The Chief Financial Officer recommends the following team of firms from the financial advisor and bond counsel benches to execute the 2008 Bonds financing: Tamalpais Advisors, Inc. – Kelling, Northcross & Nobriga, Financial Advisor; Sidley Austin LLP, as Bond and Tax Counsel; Hawkins, Delafield & Wood LLP, as Disclosure Counsel; and U.S. Bank National Association, as Paying Agent for the 2008 Bonds.

Finally, the Chief Financial Officer recommends that the Board approve the forms of the legal documents and Preliminary Official Statement that are needed in order to execute the transaction and market the 2008 Bonds to investors.

#### **Committee Information:**

Information on the 2008 Bonds was provided to the Committee of the Whole on September 25, 2008 by the Controller.

#### **Reporting Requirements and Benchmarks:**

The Chief Financial Officer will report back to the Board on the results of the sale of the 2008 Bonds.

The Treasurer is designated to act as the initial authenticating agent, bond registrar, transfer agent and paying agent for the Bonds (in such capacity the "Paying Agent"). The Treasurer is authorized to enter into a contract with a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets, to perform the services of the Paying Agent. If at any time the Treasurer shall resign or be removed as the Paying Agent, the Authorized Officers are authorized to appoint any successor Paying Agent with the consent of the Treasurer, and if no successor Paying Agent is appointed by the District, the Treasurer shall appoint a successor Paying Agent without further action by the District, which shall be a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets.

**Section 5. Redemption Provisions.** The Bonds shall be subject to redemption prior to their respective stated maturity dates at the option of the District as set forth in the Notice Inviting Proposals with respect to such Bonds and in such Bonds. The Bonds shall also be subject to mandatory sinking fund redemption, as specified in the Notice Inviting Proposals with respect to such Bonds and in such Bonds. The Notice Inviting Proposals with respect to a series of Bonds may provide that such Bonds or any portion thereof shall not be subject to optional or mandatory sinking fund redemption.

**Section 6. Sale of Bonds.** The Bonds shall be sold at a competitive sale and under conditions set forth in the Notice Inviting Proposals, or by a negotiated sale pursuant to the Bond Purchase Agreement in the form on file with the Executive Officer and hereby approved, if determined by the Chief Financial Officer, in consultation with the Treasurer and the Financial Advisor to be in the best interest of the District.

The form of Notice of Intention to Sell Bonds (the "Notice of Intention") attached hereto as Exhibit C is hereby approved and authorized to be published in accordance with Section 53692 of the State Government Code. The form and distribution of the Notice Inviting Proposals substantially in the form attached hereto as Exhibit B are hereby approved in connection with the offering and sale of the Bonds. The actions of the Financial Advisor, on behalf of the District, in distributing the Notice Inviting Proposals, to such municipal bond broker-dealers, to such banking institutions and to such other persons as may be interested in purchasing the Bonds therein offered for sale, are hereby approved. The Authorized Officers are hereby authorized and

directed on behalf of the District to cause the sale of the Bonds pursuant to the Notice Inviting Proposals, with such changes as such Authorized Officer in consultation with the Treasurer shall deem necessary or desirable to implement the sale of the Bonds consistent with the terms of this resolution.

The Treasurer or any authorized deputy or delegate of the Treasurer, in consultation with an Authorized Officer, is hereby authorized to accept the highest responsible bids for the Bonds producing the lowest true interest cost to the District; provided, that (i) the true interest cost for the Bonds of any series shall not be in excess of 8% per annum; (ii) the maximum interest rate (coupon) on the Bonds of any series shall not be in excess of 8% per annum; and (iii) the Bonds shall otherwise conform to the limitations specified herein. In the event two or more bids setting forth identical true interest costs are received, the first bid submitted, as determined by reference to the time displayed on the electronic bidding site, shall be deemed to be the winning bid. The Authorized Officer may, in his or her discretion, reject any and all bids and waive any irregularity or informality in any bid. The Treasurer, in consultation with the Chief Financial Officer, shall award the Bonds or reject all bids not later than 26 hours after the expiration of the time prescribed for the receipt of proposals unless such time of award is waived by the successful bidder(s). The Board of Supervisors is hereby requested to cause the Notice Inviting Proposals to be approved on behalf of the County, subject to such changes or revisions therein as may be acceptable to the District and to the County, on behalf of the Board of Supervisors.

In the event that the Chief Financial Officer determines a negotiated sale of the Bonds is in the best interest of the District, an Authorized Officer is hereby authorized and directed on behalf of the District to execute the Bond Purchase Agreement, with such changes as such Authorized Officer shall deem necessary or desirable to implement the negotiated sale of the Bonds consistent with the terms of this Resolution; provided that (i) the true interest cost for the Bonds of any series shall not be in excess of 8% per annum; (ii) the maximum interest rate (coupon) on the Bonds of any series shall not be in excess of 8% per annum; (iii) the underwriter's discount shall not be in excess of 0.5% and (iv) the Bonds shall otherwise conform to the limitations specified herein. Such execution shall constitute conclusive evidence of the approval by the District of the Bond Purchase Agreement in the form finally executed.

In accordance with Section 15146 of the State Education Code, the estimated costs of issuance, including estimated underwriter's discount, for the (i) Measure K Bonds is \$1,234,009.62, (ii) Measure R Bonds is \$2,714,221.16 and (iii) Measure Y Bonds is \$740,605.77. The actual costs of issuance shall be presented to and by this Board of Education at its next scheduled public meeting following the sale.

**Section 7. Authorization of Preliminary Official Statement and Official Statement.** The Authorized Officers, acting singly, are hereby authorized and directed on behalf of the District to prepare or cause to be prepared a preliminary official statement relating to each issue of Bonds (the "Preliminary Official Statement"). The form of the Preliminary Official Statement relating to the Bonds presented to this Board of Education is hereby approved. Tamalpais Advisors, Inc. - Kelling, Northcross & Nobriga, A Joint Venture, the Financial Advisor to the District in connection with the Bonds (the "Financial Advisor"), is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in purchasing the Bonds. Each Authorized Officer, acting singly, is hereby authorized

to certify on behalf of the District, that the Preliminary Official Statement was deemed final as of its date, within the meaning of Rule 15c2-12 ("Rule 15c2-12") promulgated under the Securities Exchange Act of 1934, as amended (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12). The Official Statement in substantially said form (the "Official Statement"), with such changes as each Authorized Officer, acting singly, may approve (including all information previously permitted to have been omitted by Rule 15c2-12), which approval shall be conclusively evidenced by execution by such Authorized Officer of the Official Statement and delivery thereof to the original purchasers of the Bonds within 7 business days of the sale of the Bonds, is hereby approved.

**Section 8. Investment of Proceeds.** Proceeds of the Bonds held by the Treasurer shall be invested at the Treasurer's discretion pursuant to law and the investment policy of the County, unless otherwise directed in writing by the District.

(i) At the written direction of the District, given by an Authorized Officer, who is hereby expressly authorized to give such direction, all or any portion of the proceeds of the Bonds deposited in the building fund of the District (the "Building Fund") may be invested on behalf of the District in the Local Agency Investment Fund in the treasury of the State.

(ii) At the written direction of the District, given by an Authorized Officer, who is hereby expressly authorized to give such direction, all or any portion of the Building Fund of the District may be invested on behalf of the District, in investment agreements, including guaranteed investment contracts, which comply with the requirements of each rating agency then rating the Bonds necessary in order to maintain the then-current rating on the Bonds.

**Section 9. Tax Covenants.**

(a) **General.** The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Bonds under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Without limiting the generality of the foregoing, the District hereby covenants that it will comply with the requirements of the Tax Certificate of the District (the "Tax Certificate"), to be entered into by the District on the date of issuance of the Bonds. The provisions of this subsection (a) shall survive payment in full or defeasance of the Bonds.

(b) **Yield Restriction.** In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer or any other party on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer or such other party in writing, and the District shall make its best efforts to ensure that the Treasurer or such other party shall take such action as may be necessary in accordance with such instructions.

(c) **Reliance on Opinion of Bond Counsel.** Notwithstanding any provision of this Section, if the District shall provide to the Treasurer an opinion of counsel of nationally

recognized standing in the field of law relating to municipal bonds (an "Opinion of Bond Counsel") that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Bonds, the Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

**Section 10. Continuing Disclosure.** Any Authorized Officer is hereby authorized on behalf of the District to execute a Continuing Disclosure Certificate with respect to the Bonds in substantially the form attached hereto as Exhibit A, with such changes thereto as deemed necessary in order to permit the original purchasers of the Bonds to comply with the requirements of Rule 15c2-12. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of such Continuing Disclosure Certificate.

**Section 11. Approval of Actions.** The President of this Board of Education, the Executive Officer of this Board of Education and any Authorized Officer are hereby authorized and directed to execute and deliver any and all certificates and representations, including but not limited to (i) signature certificates, no litigation certificates, and certificates concerning the contents of the Official Statement, (ii) representation letters to The Depository Trust Company, (iii) each Tax Certificate, (iv) any other certificates proposed to be distributed in connection with the sale of the Bonds, including in connection with any policy of municipal bond insurance or other credit enhancement, and (v) any investment agreements entered into pursuant to the authority granted hereunder, which any of them deem necessary and desirable to accomplish the transactions authorized herein. All actions heretofore taken by the officers and agents of the Board with respect to the Bonds are hereby approved, confirmed and ratified.

**Section 12. Notice to California Debt and Investment Advisory Commission.** This Board of Education hereby authorizes and directs the Authorized Officers to cause notices of the proposed sale and final sale and itemized costs of issuance of the Bonds to be filed in a timely manner with the California Debt and Investment Advisory Commission pursuant to California Government Code Section 8855.

**Section 13. Authorization to Enter into Contracts Pursuant to California Government Code Section 5922.** This Board of Education hereby finds that it is necessary from time to time to enter into contracts, arrangements or a program of contracts for one or more of the purposes described in California Government Code Section 5922, including, without limitation, credit enhancement agreements and other contracts of this type, and hereby finds that such arrangements are designed to maintain a lower overall cost of borrowing for the District and/or to enhance the relationship between risk and return with respect to investments related to a series of Bonds, and therefore authorizes any Authorized Officer to enter into such contracts on behalf of the District, and to pay to the provider of each such agreement (or to a trustee or paying agent to facilitate transfer to the provider) available funds sufficient for the purpose of making payments due from time to time under any such arrangements and to pay incidental costs in connection therewith.

**Section 14. Citizen's Oversight Committee.** This Board of Education certifies that it has established and appointed and shall maintain an independent citizens' oversight committee

pursuant to Section 15278 of the Education Code, to inform the public concerning the expenditure of proceeds of the Bonds by the date specified in such Section 15278.

**Section 15. Bond Accountability Measures.** This Board of Education certifies that it will conduct an annual, independent performance and financial audit to ensure that the funds approved by the voters have been expended only for the purposes authorized by Measure K or Measure R or Measure Y, as applicable, in accordance with Section 1(b) of Article XIII A of the California Constitution and Section 15264 et seq. of the Education Code. This Board of Education further certifies it will direct the Chief Financial Officer to cause to be filed with the Board no later than January 1, 2009, and at least once a year thereafter, the annual report required pursuant to Measure K or Measure R or Measure Y, as applicable, and Section 53410 et seq. of the State Government Code.

**Section 18. Other District Bonds.** The issuance and sale of any series of Bonds may be combined with the issuance and sale of any other general obligation bonds of the District.

**Section 19. Appointment of Financial Advisor, Bond Counsel, Disclosure Counsel and Disclosure of Identity of Original Purchasers.** In connection with the District's issuance and sale of the Bonds, the Chief Financial Officer or her designee is hereby authorized to enter into agreements for Financial Advisor, Bond Counsel, Disclosure Counsel and other professional services on behalf of the District as may be necessary or appropriate. Bond Counsel and Disclosure Counsel to the District in connection with the issuance of the Bonds shall be Sidley Austin LLP and Hawkins, Delafield & Wood LLP, respectively. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the District shall have no obligation under this Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Special Bidder's Option:

The purchaser may elect to combine any number of consecutive maturities of Bonds for which an identical yield to maturity has been specified to comprise term bonds by indicating such an election on the bid form. The election to create term bonds in such manner will require the creation of a mandatory sinking fund so that the sinking fund redemption payments shall equal the principal amount of the corresponding serial bond maturities.

Optional Redemption:

The Bonds shall be subject to redemption prior to their respective stated maturity dates at the option of the District, as provided below, or on such other dates and on such terms as communicated to potential bidders through The Bond Buyer Wire in accordance with this Notice Inviting Proposals. The Bonds maturing on or before [January 1, 20\_\_], are not subject to

redemption prior to their fixed maturity dates. The Bonds maturing on or after [January 1, 20\_\_], are subject to redemption at the option of the District, from any source of funds, as a whole or in part, on any date on or after [January 1, 20\_\_], at the following redemption prices (expressed as a percentage of the principal amount of Bonds called for redemption), plus interest accrued thereon to the date fixed for redemption:

<u>Redemption Period</u> <u>(Dates Inclusive)</u>	<u>Redemption Price</u>
[January 1, 20__ through December 31, 20__]	102%
[January 1, 20__ through December 31, 20__]	101
[January 1, 20__ and thereafter]	100

Notice of Redemption:

Notice of redemption of any Bond will be mailed to the registered owner of each Bond to be redeemed in whole or in part, at the address shown on the registration records maintained by the Paying Agent designated for this issue of Bonds (the "Paying Agent"); such mailing to be at least 30, but not more than 60 days prior to the date set for redemption. Failure to mail notice to any owner will not affect the validity of the proceedings for the redemption of Bonds.

Registration of Bonds as to Principal and Interest and Place of Payment:

The Bonds, when delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository of the Bonds. Individual purchases will be made in book-entry form only, in the denominations of \$5,000 and integral multiples thereof. Purchasers will not receive physical certificates representing their interest in the Bonds purchased. Principal, premium, if any, and interest are payable in lawful money of the United States of America at the principal corporate trust office of the Paying Agent, to DTC, which in turn will remit such amounts to the beneficial owners of the Bonds through DTC's Participants, as described in the Preliminary Official Statement. The successful bidder will be required to pay any DTC fees to DTC directly.

Paying Agent:

\_\_\_\_\_ has been appointed the Paying Agent for the payment of principal and interest and for the registration of the Bonds and to hold the funds and accounts established pursuant to the County Resolution.

Authority:

The Bonds will be issued pursuant to the Constitution and laws of the State of California. The issuance of the Bonds was authorized by at least 55% of the vote of the qualified electors of the District voting at elections held on November 5, 2002, March 2, 2004 and November 8, 2005, as applicable, a Resolution of the Board of Supervisors (the "Board of Supervisors" of the County,

adopted on \_\_\_\_\_, 2008 and the Resolution of the Board of Education of the District adopted on \_\_\_\_\_, 2008.

Security:

Both principal of and interest on the Bonds are payable from an unlimited *ad valorem* tax levied against all of the taxable property (except certain personal property which is taxable at limited rates) in the District.

Form of Bid:

Each bid for each series of the Bonds must be submitted electronically via PARITY pursuant to the prescribed form of bid posted thereon (the "Official Bid Form"), in each case not later than 9:00 a.m., Pacific Time, on the date of sale. A bidder must submit separate bids for each series being bid. A bidder may submit a bid for one, two or all three series of Bonds. For purposes of submitting all bids, the time as maintained on PARITY shall constitute the official time.

***WARNINGS REGARDING ELECTRONIC BIDS: NEITHER THE DISTRICT, THE COUNTY, THE FINANCIAL ADVISOR, NOR BOND COUNSEL SHALL BE RESPONSIBLE FOR, AND THE BIDDER EXPRESSLY ASSUMES THE RISK FOR ANY INCOMPLETE, INACCURATE OR UNTIMELY BID SUBMITTED VIA PARITY BY SUCH BIDDER, INCLUDING, WITHOUT LIMITATION, BY REASON OF GARBLED TRANSMISSION, MECHANICAL FAILURE, ENGAGED TELEPHONE OR TELECOMMUNICATIONS LINES, OR ANY OTHER CAUSE ARISING FROM DELIVERY VIA PARITY.***

All bids which are submitted electronically via PARITY pursuant to the procedures described below shall be deemed to constitute a "Bid for Purchase of a Series of Bonds" and shall be deemed to incorporate by reference all of the terms and conditions of this Notice Inviting Proposals. The submission of a bid electronically via PARITY shall constitute and be deemed the bidder's signature on the Official Bid Form for such series of Bonds.

Procedures Regarding Electronic Bidding:

Bids may be submitted electronically via PARITY in accordance with this Notice Inviting Proposals, until 9:00 A.M., Pacific Time, [\_\_\_\_\_, 2008], but no bid will be received after the time for receiving bids specified above. To the extent any instructions or directions set forth in PARITY conflict with this Notice Inviting Proposals, the terms of this Notice Inviting Proposals shall control. For further information about PARITY, potential bidders may contact the Financial Advisor at (415) 331-4473 or PARITY at (212) 806-8304. In the event that a bid for the Bonds is submitted via PARITY, the bidder further agrees that:

- (a) If a bid submitted electronically by PARITY is accepted by the County and the District, the terms of the Bid for Purchase of a Series of Bonds and this Notice Inviting Proposals and the information that is electronically transmitted through PARITY shall form a contract and the successful bidder shall be bound by the terms of such contract.

(b) PARITY is not an agent of the County and the District, and the County and the District shall have no liability whatsoever based on any bidder's use of PARITY, including but not limited to any failure by PARITY to correctly or timely transmit information provided by the County and the District or information provided by the bidder.

(c) The County and the District may choose to discontinue use of electronic bidding via PARITY by issuing a notification to such effect via PARITY's internet site ([www.tm3.com](http://www.tm3.com)) no later than 5:00 P.M. (Pacific Time) on the last business day prior to the date of sale.

(d) Once the bids for a given series of Bonds are communicated electronically via PARITY to the County and the District as described above, each such bid will constitute a Bid for Purchase of a Series of Bonds and shall be deemed to be an irrevocable offer to purchase the series of Bonds on the terms provided in this Notice Inviting Proposals.

(e) Each bidder choosing to bid electronically shall be solely responsible to make necessary arrangements to access PARITY for purposes of submitting its bid in a timely manner and in compliance with this Notice Inviting Proposals. Neither the County nor the District shall have any duty or obligation to undertake such registration to bid for any prospective bidder or to provide or assure such access to any qualified prospective bidder, and neither the County nor the District shall be responsible for a bidder's failure to register to bid or for proper operation of, or have any liability for any delays or interruptions of, or any damages caused by, PARITY. The County is using PARITY as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Bonds. By using PARITY, each bidder agrees to hold the County and the District harmless for any harm or damages caused to such bidder in connection with its use of PARITY for bidding on the Bonds.

No bid received after the deadline shall be considered. In any case, each bid must be in accordance with the terms and conditions set forth in this official Notice Inviting Proposals.

Interest Rates:

All bids for the purchase of each series of the Bonds must state the rate or rates of interest to be paid and no bid at a price less than the par value of each series of Bonds will be considered. Bidders may specify any number of different rates to be borne on each series of Bonds, provided:

(i) The maximum interest rate bid for any maturity shall not exceed eight percent (8%) per annum;

(ii) All Bonds of the same maturity for a given series must bear the same rate of interest from its date to the stated maturity date at the interest rate specified in the Official Bid Form;

(iii) All interest rates must be in multiples of 1/8 or 1/20 of one percent; and

(iv) The rate of interest on any maturity for a given series shall not be more than four percent higher than the interest rate on any other maturity of the given series of the Bonds.

Adjustment of Principal Amounts and Amortization Schedule of Bonds after Receipt of Bids:

The principal amounts of each series of the Bonds set forth in the Designated Maturity Schedule reflect estimates of the District as to the likely interest rates of the winning bid and the original issue premium contained in the winning bid for such series. In order to achieve substantially level debt service in each Fiscal Year ending June 30, the District reserves the right subsequent to receiving bids to change the principal amounts schedule for a given series set forth above by adjusting one or more principal payments. Any such adjustment of principal amounts on the given series of Bonds shall be based on the schedule of principal amounts provided by the District to be used as the basis of bids for the given series of Bonds. In the event of any such adjustment, no rebidding or recalculation of the bids submitted will be required or permitted and no successful bid may be withdrawn. The bidder awarded a series of Bonds by the District shall not be permitted to withdraw its bid, change the interest rates in its bid or the reoffering prices in its Certificate Regarding Reoffering Prices as a result of any changes made to the principal amounts of such series of the Bonds in accordance with this Notice Inviting Proposals.

Such adjustments will not change the aggregate principal amount of a series of the Bonds to be issued from the amount set forth in the Designated Maturity Schedule or change the principal amount due with respect to such series of Bonds in any year by more than ten percent. The dollar amount bid for Bonds by the winning bidder(s) will be adjusted to reflect any such adjustment in the applicable amortization schedule. Any such adjustment will change the total (but not the per bond) dollar amount of underwriter's discount and original issue premium provided in such bid. Any such adjustment shall not result in the purchase price of the such series of Bonds being less than [100.\_\_\_\_]%. Any such adjustment will be communicated to the winning bidder within 24 hours after the opening of the bids.

Costs to be Paid by Underwriter

If the transactions contemplated by this Notice Inviting Proposals are consummated, fees and expenses incurred by the District (the "Costs") shall be paid or cause to be paid by the successful bidder. The successful bidder agrees, by submitting a bid for the Measure K Bonds, to wire \$[\_\_\_\_\_] at closing to \_\_\_\_\_, as Costs Administrator for the Bonds (the "Costs Administrator") for payment of the Costs for the Measure K Bonds. Thus, the minimum bid for the purchase of the Measure K Bonds is [100.\_\_\_\_]%. The successful bidder agrees, by submitting a bid for the Measure R Bonds, to wire \$[\_\_\_\_\_] at closing to the Costs Administrator for payment of the Costs for the Measure R Bonds. Thus, the minimum bid for the purchase of the Measure R Bonds is [100.\_\_\_\_]%. The successful bidder agrees, by submitting a bid for the Measure Y Bonds, to wire \$[\_\_\_\_\_] at closing to the Costs Administrator for payment of the Costs for the Measure Y Bonds. Thus, the minimum bid for the purchase of the Measure Y Bonds is [100.\_\_\_\_]%. This amount must be paid not later than the date of delivery of the Bonds. Payment of this amount is not optional and is in addition to any purchase premium specified and any premium designated for municipal bond insurance. The Costs Administrator will deposit such funds in a special account established on behalf of the successful bidder and apply such

funds only to pay legally authorized costs of issuance pursuant to a written order of the District accompanied by approved invoices. Costs of issuance include fees and disbursements of the financial advisor, bond counsel, disclosure counsel, the costs of preparation, printing, posting, and delivery of the Official Statement, initial rating fees, costs of publication of notices of sale, and other expenses permitted by Section 15145 of the Education Code and does not include underwriter's discount, the cost of the premium for any municipal bond insurance, CDIAC fees (described below), CUSIP fees (described below), DTC fees or other customary underwriting expenses to be paid by the successful bidder under the terms of this Notice Inviting Proposals. Any balance remaining in such account [365] days after the issuance of a series of the Bonds shall be returned to the successful bidder.

[Qualification for Municipal Bond Insurance at Option of Bidder:

The District will submit documents to potential bond insurers to pre-qualify each series of the Bonds for a municipal bond insurance policy. If any series of the Bonds qualify for issuance of any policy of municipal bond insurance or commitment therefor at the option of the bidder, any purchase of such insurance or commitment therefor shall be at the sole option and expense of the bidder and any increased costs shall be paid by such bidder. Any failure of a series of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the purchaser of his contractual obligations arising from the acceptance of his proposal to purchase such series of the Bonds.

The District will be responsible for obtaining underlying (i.e., uninsured) municipal bond ratings for each series of the Bonds from Moody's Investors Service and Standard & Poor's Ratings Group and for payment of any rating fees incurred in connection therewith, which payment shall be made in accordance with the procedure set forth in "Costs to be Paid by Underwriter" above.]

[Good Faith Deposit:

No good faith deposit is required to be submitted with bids.]

CUSIP Numbers:

CUSIP numbers will be applied for by the respective purchaser and will be printed on the applicable series of Bonds and the cost of service bureau assignment will be the purchaser's responsibility. Any delay, error or omission with respect thereto will not constitute cause for the purchaser to refuse to accept delivery of and pay for such series of Bonds.

California Debt and Investment Advisory Commission:

Each successful bidder will be required, pursuant to State law, to pay any fees to the California Debt and Investment Advisory Commission ("CDIAC"). CDIAC will separately invoice each successful bidder for such fees.

Right of Rejection:

The Treasurer in consultation with the CFO reserves the right in his discretion to reject any and all bids received and to waive any irregularity or informality in the bids, except that the time for

receiving bids shall be of the essence. [The winning bidder(s) shall have the right, at each of their option, to cancel the contract of purchase if the District shall fail to tender the Bonds for delivery within 60 days from the date of sale thereof.]

#### Minimum Bid

No bid will be accepted that does not offer a bid price of at least [100.\_\_\_\_]% for a series of the Bonds (whether or not said bid price is adjusted pursuant to "Adjustment of Principal Amounts and Amortization Schedule of Bonds after Receipt of Bids"). The bid price such series of the Bonds shall not include any amounts to be used to pay the customary underwriting costs or the excluded costs set forth under "Costs to be Paid by Underwriter."

#### Basis of Award and Delivery:

Unless all bids are rejected, the Bonds will be awarded to the bidder whose proposal results in the lowest true interest cost ("TIC") to the District, which TIC may not exceed 8%. The TIC will be that nominal interest rate which, when compounded semiannually and applied to discount all payments of principal and interest payable on a series of the Bonds to the date of such series of the Bonds, results in an amount equal to the principal amount of such Bonds plus the amount of any premium bid. For the purpose of calculating the TIC, mandatory sinking fund payments for any Term Bonds specified by each bidder will be treated as Bonds maturing on the dates of such mandatory sinking fund payments. In the event that two or more bidders offer bids for a series of the Bonds at the same lowest TIC, the bidder who submitted the first bid (as determined by PARITY) will be awarded such series of the Bonds. Bid evaluations or rankings made by PARITY are not binding on the District.

Delivery of each series of the Bonds will be made to the purchaser through DTC upon payment in immediately available funds to the Treasurer on or about \_\_\_\_\_, 2008 (the "Closing").

#### Prompt Award:

The Treasurer, or the designee of such officer, will take action awarding each series of the Bonds or rejecting all bids not later than 26 hours after the expiration of the time herein prescribed for the receipt of proposals, unless such time of award is waived by the successful bidder. Notice of the award will be given promptly to the successful bidder.

#### Legal Opinion:

Sidley Austin LLP has been retained by the District as Bond Counsel ("Bond Counsel") and in such capacity are to render an approving opinion upon the legality of the Bonds under California law and on the exemption of the interest income on such Bonds from federal and State of California income taxes. The Bonds are sold with the understanding that the respective purchaser will be furnished with an opinion of Bond Counsel entitling the purchaser to rely on the approving opinion of Sidley Austin LLP. The form of Bond Counsel's opinion is set forth in [Appendix B] of the Preliminary Official Statement and the final Official Statement.

The respective purchaser will receive a disclosure opinion from Hawkins Delafield & Wood LLP as Disclosure Counsel ("Disclosure Counsel") regarding the Official Statement.

### Tax Status:

In the opinion of Bond Counsel, under existing laws, interest on the Bonds is exempt from all present State of California personal income taxes, and assuming compliance with certain covenants made by the District, and requirements of the Internal Revenue Code of 1986, as amended, interest on the Bonds is not includable in the gross income of the owners of the Bonds for federal income tax purposes, provided that such interest may be included in the calculation of federal alternative minimum taxable income. Should changes in the law cause Bond Counsel's opinion to change prior to delivery of the Bonds to the purchaser, the purchaser will be relieved of its responsibility to purchase the Bonds.

### Certificate Regarding Reoffering Prices:

Not later than one hour after receiving the verbal award, the successful bidder for a series of Bonds must submit to the District and to Bond Counsel a certificate specifying for each maturity the reoffering price at which at least 10% of the Bonds of such maturity were first sold (or the price at which all of the Bonds awarded to the successful bidder were offered in a bona fide public offering and as of the date of award of such Bonds to the successful bidder reasonably expected to be sold) to the public. Such certificate shall be in form attached hereto as Exhibit A. Any requests for changes to such certificate must be submitted to Bond Counsel by the close of business on \_\_\_\_\_.

### No Litigation and Tax Certificates:

At Closing, the District will execute and deliver a certificate stating that no litigation is pending affecting the issuance and sale of the Bonds. The District will also execute and deliver the Tax Certificate covering its reasonable expectations concerning the Bonds and the use of proceeds thereof.

### Continuing Disclosure Certificate:

In order to assist bidders in complying with Securities and Exchange Commission Rule 15c2-12(b)(5), the District will undertake, pursuant to a Continuing Disclosure Certificate, to provide certain annual financial information and notices of the occurrence of certain events, if material. A form of the Continuing Disclosure Certificate is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

### Official Statement:

The District will make available a Preliminary Official Statement relating to the Bonds, an electronic copy of which, along with related documents, will be furnished upon request made either by mail to the Financial Advisor, Tamalpais Advisors, Inc., 3030 Bridgeway, Suite 340, Sausalito, California 94965, or telephoned to said advisor at (415) 331-4473. Such Preliminary Official Statement, together with any supplements thereto, shall be in form "deemed final" by the District for purposes of SEC Rule 15c2-12(b)(1), but is subject to revision, amendment and completion in a final official statement (the "Official Statement"). Bidders must read the entire Preliminary Official Statement to obtain information essential to the making of an informed decision to bid. The District agrees to provide a reasonable number of copies of the Official

Statement to the winning bidder(s) of each series of the Bonds at the District's expense within seven business days of the date of sale. The District shall deliver, at closing, a certificate, executed by appropriate officers of the District acting in their official capacities, to the effect that the facts contained in the Official Statement relating to the Bonds are true and correct in all material respects, and that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of circumstances under which they were made not misleading.
